General Secretary to the Government
of His Highness the Maharaja of Mysore,

Sir,

In forwarding herewith a copy of Municipal Council's Resolution No.457 dated 27-4-29, and a copy of the Note referred to therein, containing proposals for the revision of the Markets establishment, I have the honour to state that the construction of the Vani Vilas Market is completed, and the right of collecting daily fees from 1-5-29 to 30-6-30 was sanctioned for Rs.126 per month In order to supervise the market and keep the premises clean and tidy, the marginally noted establishment costing Rs.63 per month, is required and the same was engaged from 10-4-29, in the interests of the Market

1 Sergeant on Rs.25.
2 Peons on Rs.10 each.
2 Sweepers on Rs.9 each.

Out of the establishment sanctioned for the Devaraja Market the place of Sergeant on Rs.50/- is not filled up, and the existing staff seems sufficient The sum of Rs.50/- is thus available for meeting the cost of the Vani Vilas Market establishment.

In these circumstances, a revision of the Markets establishment is proposed as per proposition statement enclosed The extra cost involved is Rs.13/- per month or Rs.156 per year. The excess expenditure required on this account during the current year will be met from the savings and due provision will be made in the next and subsequent years

I request you, therefore, to be so good as to obtain the sanction of Government to the employment of the Vani Vilas Market establishment from 10-4-29 and to the revision of establishments of all the Markets,

as per propositön Statement

I have the honour to be,

Sir,

Your most obedient servant,

M/Ramswamy

President

Proposals for the revision of the markets' establishment

When the revision of markets' establishment was considered by the Council on 27-8-1927, the Vani Vilas Market was under construction and so it was left out of consideration then

As it has been completed now it is necessary to employ the marginally noted staff for its supervision and keeping it neat and tidy just as in the case of Mandy Market

1 Sergeant on Rs 25/-
2 Peons on Rs 10/- each
2 Sweepers on Rs.9/- each

There is a savings of Rs 50/- per mensem due to the vacancy of the Devaraj Market sergeant not being filled up The present establishment seems to be sufficient for the Devaraj Market

The proposed expenditure for the Vani Vilas Market may be met out of the savings of Rs 50/- referred to above and the extra expenditure of Rs 13/- per month will be met by reappropriation this year and will be provided for in the next year's budget

As explained in the proposition statement sent herewith, the proposed cost of the 3 markets will come to Rs 361 per month as against the present cost of Rs 348 per month for the two markets or an excess of Rs 156 per year
